

I know that we are gathered here – To say
goodbye, to shed a tear I don't know what I did
before I knew you.

You know, you were a part of me – but what has
passed has got to be and so I'll simply pray an
hallelujah

hallelujah... hallelujah... hallelujah... hallelu-jah.

I wish we could have had more time – There's
lots to say that's on my mind I don't know if I
ever got to tell you.

You know I loved you – that's a fact – and I
know that you loved me back. So now I simply
shout out hallelujah.

hallelujah... hallelujah... hallelujah... hallelu-jah.

I know there is a God above, who tried to teach
me how to love He put you here so I could learn
it through you.

It's not a cry you hear from me. Although this
loss is misery... and all that I can sing is
hallelujah.

hallelujah... hallelujah... hallelujah... hallelu-jah.

For now I say 'Goodbye, my love' – and pray to
Jesus up above that someday he will take my
spirit to you.

So till that day you're in my heart – and never
more we'll have to part for now I'll sing farewell
and hallelujah.

hallelujah... hallelujah... hallelujah... hallelu-jah.

hallelujah... hallelujah... hallelujah... hallelu-jah.
