

INTERNATIONAL DAY OF PEACE
21 SEPTEMBER 2014

**THE RIGHT
OF PEOPLES
TO PEACE**

“The United Nations calls on nations, communities, and individuals to renounce conflict, promote harmony, and to unite as a human family to deliver the right to peace. History has shown that, no matter how fierce, conflict can end, peace can prevail and reconciliation can triumph. On 21 September, at venues around the world, people will broadcast this essential message. They will celebrate the value of human diversity and the strength of our unity.”
